Dear Sir

We enclose pieces of a nickel
 that were sent us in a recent ship-
 ment by your institution. The amount in-
 volved is not worth the trouble of writing
 about but we advise you as we
 know that actions of this kind on
 the part of your subordinates will not
 meet with your approval; and should
 be stopped, if indeed they are not
 accidents.

Respectfully yours
 R. D. Kent Cash

Another set piece
 sent in exchange. G.W.F.
